Michaela Moravčíková

BIO

Michaela (b. 1991, Slovakia) lives and works in Hamburg. Her practice moves between painting, printmaking, drawing, and writing. Her non-figurative work is characterized by gestural and physical expressions that merge lyrical abstraction with the spontaneity of arbitrary signs. Driven by an interest in the transformative capacities of materials and forms, her work embraces process and the unfolding of the image, drawing inspiration from fairy tales, everyday life, games, circuses, and the quiet presence of ordinary objects.
